IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re application of:	BRITTON, et al.								
Serial No.:	To Be Assigned	Group Art Unit:							
File Date:	Concurrently Herewith	Examiner:							
For:									
Director of the U.S. Patent and Trademark Office P.O. Box 1450 Alexandria, VA 22313-1450									
	INFORMATION DISCLOS	SURE STATEMENT							
Applicants request that the references identified on Form PTO-1449 appended hereto be considered by the Examiner and officially made of record in accordance with the provisions of 37 CFR 1.97									
[] Copies of the references are enclosed: [] Copies of the references were submitted in parent application									
filing da applicat	The Information Disclosure Statement submitted herewith is being filed within three months of the filing date of the above application or date of entry into the national stage of an international application or before the mailing date of a first Office action on the merits, whichever event occurs last. 37 CFR 1.97(b).								
OR [] The Inf of a firs	formation Disclosure Statement su	bmitted herewith is being filed before the mailing fa Request For Continued Examination under 37							
filing date o an internation event occurr (1) a fi	f the above application or the date of								
Statement w	ereby certifies that each item of infor vas cited in a communication from a s not more than three months prior to t	rmation contained in this Information Disclosure foreign patent office in a counterpart foreign the filing of this statement.							
	ects the option to pay the fee set forth tatement under § 1.97(c) (\$180.00).	n in 37 CFR 1.17(p) for submission of an Information							
1.113, or a r	notice of allowance under § 1.311, walso enclosed is a copy of the Interna	ed herewith is being filed after a final action under § hichever occurs first, but before the payment of the tional Search Report which Issued on International							

In accordance with the requirements of 37 CFR 1.97(d):

10/565296

	[]	Applicant hereby certifies that each item of information contained in this information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign
		application not more than three months prior to the filing of this statement. Applicant hereby petitions for the consideration of the accompanying Information Disclosure
	[]	Applicant hereby petitions for the consideration of the accompanying Information Disclosure Statement. 37 CFR 1.97(d)(ii).
	[]	The petition fee set forth in § 1.17(i)(1) (\$130.00) is submitted herewith.
YI DI	esse char	ge any required fees to Deposit Account No.07-1392.

[X] Please charge any required fees to Deposit
[] A duplicate copy of this paper is attached.

Respectfully Submitted,

Kegistration No. 45,582

Date: 18 JAN 2006

GlaxoSmithKline

Corporate Intellectual Property 5 Moore Drive, P.O. Box 13398
